

9000BE
11,000 YRS AGO

World wide glacial melting
raised the ~~oceans~~ oceans of the
world 250 feet

9000 BC
11,000 YA

A distinctive tropical
culture thrived in
Brazil around 11,000 YA

9070 BC

Jericho

Archaeologists have uncovered layers of ruins showing that the site of Jericho has been occupied off & on, since about 9000 B.C.

c 9000 BC

Agriculture by humans appeared
on Earth.

They began cutting down trees,
clearing wild places, planting
fields of grain, domesticating
animals.

9000 BC

Evidence of the furthest advance
of the ice cap near Milwaukee,
Wisconsin

9000-7000 BC

Warmer climate

11,000 Yrs Ago 9000BC

Mammoths, horses, Camels and
dozens of other large Ice Age
mammals all vanished
by about 11,000 yrs ago.
Many scientists ~~says~~ cite
climate change. Others say it
was humans killing them
off with their spears.

9000 BC

Sheep domesticated in northern
Mesopotamia

9000 BC

Early Chinese Pottery from
Xianrendong and other sites

9000BC

Einkorn wheat harvested in
northern Syria

11,000 yrs ago (2000 BC)

Bering land bridge existed
till 11,000 yrs ago

Much later than prior studies
had suggested.

Science News p341 July 20, 1996

9000 BC \rightarrow 8000 BC

Natufian

9000 B.C.

Before 9000 B.C. the climate of large parts (most?) of Near East was colder and drier than it is today
